Re: PM 1360
Reddie & Grose: 33314

Dear Marta:

To confirm my telephone conversation with Joe Guiliano, please review and advise Reddie & Grose in the claims drafted for the corresponding foreign application. If you find it more expedient, call John Bass directly to discuss. The application must be filed by the May 13th convention date, allowing time for preparation and translations.

Meantime, I am sending John a copy of the U.S. Examiner's comments accompanying the Notice of Allowance.

Sincerely,

Beverly
